Dear Hiring Manager,

I am applying for the Day Receiver role at Princess Auto Edmonton South (9835 34 Ave NW). I live nearby at 11110 68 Ave NW, about a short drive via Calgary Trail, and I am looking for reliable full-time warehouse receiving work close to home.

Why I fit the dock:

- Comfortable unloading trucks, sorting product, checking quantities, and keeping a warehouse organized
- Used to paced, on-my-feet work from high-volume Audi Southgate Fixed Ops
- Clear with customers when helping load purchases safely into vehicles
- Reliable attendance and coachable on Princess Auto Royal Service and receiving processes

Resume attached. Happy to start as soon as you need coverage on the day team.

Best regards,

Dylan Michael
