Dear Hiring Manager,

I am applying for the Marketing and Communications Coordinator role at CCWESTT (fixed-term through March 31, 2027). I am based in Edmonton and available for fully remote Canada work with occasional travel. At Lumin Marketing Group I own day-to-day marketing and communications for 2 active SMB client accounts: website content, social calendars, email/CRM newsletters, campaign collateral, and reporting leadership can act on.

How I would support CCWESTT:

- Plan and ship membership and program campaigns across web, email, and social with clear timelines and brand consistency
- Coordinate newsletter and blog production; keep WordPress content current; track monthly metrics (traffic, email engagement, audience growth)
- Build digital media kits, partnership packages, and presentation decks that help leadership secure sponsors and partners
- Use Claude and Claude Code for research and drafting, with human review before anything publishes

I am honest that my highest listed education is a high school diploma, not a post-secondary diploma or degree, and that French bilingualism is not a strength. What transfers is paced remote ownership, clear writing, social and newsletter execution, and comfort reporting results. The posted band of CAD \$60,000--\$70,000 aligns with my floor. Resume attached; happy to share writing samples and walk through a sample campaign calendar.

Best regards,

Dylan Michael
