July 27, 2026

Dear Hiring Manager,

I am applying for the Claims Coordinator – Claim Services role at Alberta Blue Cross (Edmonton). I hold CIPR #770356 and I am building a long-term career in claims through accurate entry work, clear inquiry handling, and disciplined follow-through. At Best Buy I support high-volume customers every day: clarifying facts, processing account updates carefully, documenting accurately, and resolving concerns without dropping quality when the pace rises.

How I would support Claim Services:

- Enter and manage claim details carefully so providers and members get timely, accurate outcomes
- Research discrepancies by asking the right clarifying questions and checking records before escalating
- Respond to internal and member/provider inquiries with clear listening, plain-language explanations, and follow-through
- Meet production expectations by staying organized under tight time frames, the same way I do in peak retail periods

I am early in my insurance claims path and I do not yet have desk adjudication experience. What I do bring is proven accuracy under volume, calm customer communication, and a strong desire to learn Claim Services standards and Microsoft Office workflows quickly. Alberta Blue Cross's focus on service for Alberta members is a place I want to grow. Resume attached; I am available for shifts within the stated business hours and happy to discuss how I can contribute on a 12-month Claims Coordinator contract.

Best regards,

Lillian Schule Zech
