Dear Hiring Manager,

I am applying for the Member Service Representative, Roadside Assistance (Work from Home) role at AMA. I live in Edmonton and want inbound phone work where calm listening, accurate notes, and clear next steps actually help someone in a stressful moment. My Best Buy role is high-volume customer support: I gather complete information, document carefully, and keep a steady tone when people are frustrated.

How I would support AMA members on Roadside Assistance:

- Handle high-volume inbound calls with a warm, professional phone presence
- Capture member and location details accurately so help can be dispatched correctly
- Stay calm under pressure and explain next steps in plain language
- Show up reliably for evening and weekend coverage after paid training

I can commit to a minimum of 16 hours per week with evening and weekend availability, and I am available for paid full-time remote training Monday to Friday, 8:30 a.m. to 4:30 p.m., starting August 31, 2026. I have a quiet dedicated workspace, stable internet, and a smartphone for two-factor authentication. Resume attached; happy to discuss schedule fit and equipment pickup.

Best regards,

Lillian Schule Zech
