July 27, 2026

Dear Hiring Manager,

I am applying for the Creditor Insurance Claims Representative role with Trans Global Insurance in Edmonton. I hold CIPR #770356 and I am motivated by claims work that puts the customer first: taking notice of a claim, confirming details carefully, keeping clean file records, and owning follow-through until the next step is clear. My recent Best Buy role is high-volume inbound service with accurate account updates, careful documentation, and calm resolution of difficult conversations.

How I would support the claims service team:

- Handle inbound claim calls with clear listening, structured questions, and professional composure
- Maintain detailed file notes and system entries so claim status stays accurate for teammates and partners
- Follow policy and procedure closely when confirming eligibility details and next actions
- Manage competing priorities without losing accuracy, using habits built in peak retail periods

I do not yet have a full year of insurance industry desk experience. Your posting notes equivalency can be considered, and I believe my CIPR registration, Adjuster Level 1 preparation, and proven customer service accuracy are a fair basis for paid training and career progression on your claims team. Resume attached; I am prepared for the required background check and eager to discuss how I can contribute.

Best regards,

Lillian Schule Zech
