Dear Hiring Manager,

I am applying for the Marketing Coordinator, Member Rewards role (14-month maternity leave coverage) at AMA. I am based in Edmonton and available for the hybrid schedule. At Lumin Marketing Group I own day-to-day campaign coordination for 2 active SMB client accounts: calendars, creative briefs, web/email/social assets, partner-style offer details, and reporting that stays accurate and on time.

How I would support Member Rewards marketing:

- Keep campaign timelines, approvals, and asset checklists moving across digital, email, social, and in-centre materials
- Coordinate clear marketing copy and briefs so partner promotions and gift-card offers stay on-brand and accurate
- Support web and landing-page updates plus segmented email communications members can act on
- Use Claude and Claude Code for research and drafting, with human review before anything publishes; AI tool comfort is a plus called out on the posting

I am honest that my highest listed education is a high school diploma, not a bachelor's degree in marketing. What transfers is paced coordination, clear writing, and comfort working across stakeholders under deadline pressure, including high-volume Fixed Ops coordination at Audi Southgate. I am targeting base pay at or above CAD \$60,000 for this term. Resume attached; happy to walk through a sample campaign checklist or email calendar.

Best regards,

Dylan Michael
