Edmonton-based digital marketer seeking a Marketing Coordinator role with client-facing delivery ownership. At Lumin Marketing Group I coordinate SEO, paid, content, and website work for 2 active SMB client accounts end to end: intake, tasking, reporting, and follow-through. Hands-on with Google Ads, Meta, WordPress, GA4 / Google Search Console, and practical Claude / Claude Code workflows with human review before publish. Honest that a formal bachelor's degree is not on my resume; strong on agency-style coordination, paced delivery, and clear client communication.

Core Competencies

- **Client coordination:** Onboarding support, requirement intake, tasking specialists, deadline ownership
- **Digital services:** SEO, social media, Google Ads / Meta Ads, content, WordPress sites, lead generation
- **Reporting:** GA4, Google Search Console, SEMrush / Search Atlas, Google Sheets performance summaries
- **CRM / ops:** Go High Level workflows, SOP documentation, email/SMS automation basics
- **AI for ops:** Claude, Claude Code; research and drafting with human review before publish
