Dear Hiring Manager,

I am applying for the Paid Media Strategist role (paid search + paid social, remote Canada, CAD \$70,000 to \$90,000) listed through White Bay. I am based in Edmonton, Alberta and available fully remote. At Lumin Marketing Group I own Google Ads and Meta Ads strategy and execution for SMB clients: campaign structure, budgets, creative tests, and reporting tied to lead quality.

How I would support your Paid Media team:

- Plan, launch, and optimize Search and Paid Social campaigns with clear targeting, bidding, and test plans
- Report on CPA, ROAS, conversions, and revenue signals in plain language clients can act on
- Pair ads with landing-page messaging and CRM follow-up so paid traffic is not orphaned after the click
- Use Claude and Claude Code for research and draft recommendations, with human review before publish

I am honest that a five-year dedicated paid-media specialist history and deep Programmatic or Retail Media books are still growing for me. What I bring today is Google Ads Certification, hands-on Google Ads and Meta Ads ownership for active client accounts, agency-style client communication, and accountability for results. Resume attached.

Best regards,

Dylan Michael
