Edmonton-based marketing generalist for campaigns, content, email/CRM, web, SEO, and reporting that actually ships. At Lumin Marketing Group I own multi-channel delivery for 2 active SMB client accounts: SEO, WordPress updates, Google Ads / Meta, Go High Level email/SMS sequences, and GA4 / GSC notes with clear next actions. Uses Claude and Claude Code as a force multiplier on research, drafts, and SOPs, with human review before publish. Google AI Professional Certificate. Excited to apply the same shipping rhythm across SettLiT and Medchart.
