Edmonton marketer for a hands-on Marketing Coordinator role supporting brand, digital content, proposals, and campaign coordination. At Lumin Marketing Group I own day-to-day marketing for 2 active SMB client accounts: website and social content, SEO support, Canva-ready assets, CRM follow-up, and clear monthly reporting. Comfortable partnering across operations and leadership under deadline pressure. Uses Claude and Claude Code for research and drafting with human review before publish. Honest that a formal marketing diploma/degree is not listed; equivalent delivery experience is the case.
