Dear Hiring Manager,

I am applying for the Digital Marketing Account Manager role at MediaNV (remote Canada, CAD \$80,000–\$90,000 base). Your brief matches how I already work with local businesses: own the client relationship, run SEO alongside Google Ads and Meta, and turn performance into plain-language next steps. At Lumin Marketing Group I own strategy and delivery for 2 active SMB client accounts across SEO, paid media, CRM follow-up, and reporting.

How I would support MediaNV clients:

- Own multi-channel plans across SEO, Google Ads, Meta Ads, and local visibility with clear acquisition and retention goals
- Lead client reviews that connect spend and rankings to qualified leads and booked work, not dashboard noise
- Coordinate delivery with specialists so campaigns and site work land on time and on strategy
- Use Claude and Claude Code for research and draft notes, with human review before anything goes to a client

I am honest that a deep dental / medspa book and a full five-plus years of agency account management at MediaNV scale are still growing versus my current two-account Lumin book plus Phantom Avenue marketing ownership. What transfers is hands-on SEO and paid execution, client-facing ownership from Audi Southgate Fixed Ops and Lumin, and reliable follow-through. Base range of CAD \$80,000–\$90,000 works for me. Resume attached. Happy to complete any MediaNV careers form as well.

Best regards,

Dylan Michael
